This is the third pair of swim buoyancy shorts I have used, going from a full 5mm down to these 3/2's. I like the fit with the thinner material. The drawstring is plenty long enough and all things considered, I am very happy with how these are working with my swim training. I've tried many different ...

Swimming is an individual or team sport that requires the use of one's entire body to move through water. The sport takes place in pools or open water (e.g., in a sea or lake). Competitive swimming is one of the most popular Olympic sports, with varied distance events in butterfly, backstroke, breaststroke, freestyle, and individual medley. In addition to these individual events, four swimmers ...
