BEAUTY AND UGLINESS. Beauty is a vital and central element of human experience. It is associated with pleasure, which influences personal choices and cultural developments. Poets praise it, artists strive to capture it in their works, moralists warn against its deceiving influence, scientists seek to uncover its secrets, and philosophers reflect on its illusive nature.

To the Comic Play-Readers, Venery and Laughter The fashion of play-making I can properly compare to nothing so naturally as the alteration in apparel: for in the time of the great crop-douplet, your huge bombasted plays, quilted with mighty words to lean purposes, was only then in fashion. And as the doublet fell, neater inventions began to set up. Now in the time of spruceness, our plays ...

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.

Roman Catholicism - Beliefs and practices: The idea of faith shared by all Christian churches is rooted in the New Testament. But the New Testament idea of faith is not simple; indeed, it possesses a breadth of meaning that has led to varying understandings, even within a single Christian communion. Most modern interpreters of the New Testament would agree to a description of faith as the ...
