review 1: This one was pretty good, to be honest I wasn't expecting much going into it but I found myself pleasantly surprised. Gayle is an excellent writer, she does an excellent job of creating a picture in your mind. I must admit the heroine wasn't my favorite in fact she was kind of stupid but you know me more often than not I always have issues with the way the girl is written.

What would have made Submissive Beauty better? Better writing. I have read other books by Eliza Gayle and enjoyed them, but this one was just awful. It wasn't just the plot, but the writing overall was just sad, very choppy, and didn't really make sense. I stopped and started it several times thinking maybe it wasn't that bad, but it was.
