Textbook Of Ayurveda Vol 1

Idli is a fermented product prepared from rice and black gram batter by steam cooking . Idli is a white colored, small, round, and spongy product (). In 1485 and 1600 CE, idli was compared to the moon, which suggests that rice was in use. Use of rice along with pulses is necessary as a source of mixed natural microflora needed for efficient fermentation .

Traditional and ayurvedic foods of Indian origin ...

The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. The Indians introduced the concepts of medical diagnosis, prognosis, and advanced medical ethics. The Hippocratic Oath was written in ancient Greece in the 5th century BCE, and is a direct ...

The First Scholars Such are the settings in which the first Indologists first appeared. Sir William Jones, the first British to master Sanskrit and study the Vedas, drew fire from the eminent British historian James Mill, author of History of India, for his "hypothesis of a high state of civilization". Typically, Mill believed that the: "The people of India were never advanced and that they ...
