31 AWESOME Seasonal Marketing Ideas for Your Small Business

The code of etiquette in Japan governs the expectations of social behavior in the country and is considered very important. Like many social cultures, etiquette varies greatly depending on one's status relative to the person in question. Many books instruct readers on its minutiae. Some conventions may be very regional practices, and thus may not exist in all regions of Japan.

Etiquette in Japan - Wikipedia

United States - The change of seasons: Most of the United States is marked by sharp differences between winter and summer. In winter, when temperature contrasts between land and water are greatest, huge masses of frigid, dry Canadian air periodically spread far south over the midcontinent, bringing cold, sparkling weather to the interior and generating great cyclonic storms where their leading ...
