(In my first article here on Forbes, I suggested how entrepreneurs might get started. Once you've found a worthy opportunity, building a compelling value proposition is often a great next step.)

**4 Steps To Building A Compelling Value Proposition - Forbes**

Some rare individuals can intuit a good solution at each step. But you don't need to guess. BJ has created reliable techniques for success. In Step 1 you can discover the right behaviors by using Fogg's "Magic Wand" technique, followed by "Crispification" and then "Priority Mapping." For Step 2 you can use Fogg's four techniques to make behavior easier.

**Fogg Method**

If you're selling it, set a reasonable price. A good computer from the mid to late 90's could probably sell for anything between \$10 and \$50. Find out how much you spent on it, then add your price for labor.
