Steampunk Extraordinary Tales Of Victorian

Steampunk is a subgenre of science fiction or science fantasy that incorporates technology and aesthetic designs inspired by 19th-century industrial steam-powered machinery. Although its literary origins are sometimes associated with the cyberpunk genre, steampunk works are often set in an alternative history of the 19th century's British Victorian era or American "Wild West", in a future ...

Steampunk - Wikipedia

Elements of steampunk that are set in the American frontier are usually referred to as "cattlepunk". Some writers and fans refer to the "shiny happy" version as "Victorian Fantasy", "Gaslamp Fantasy" or "Victorian Futurism". Supernatural or paranormal tropes are more frequently included in this approach, in which case the Encyclopedia of Fantasy favours "Gaslight Romance".

Steam Punk - TV Tropes

Steampunk is a subgenre of fantasy and speculative fiction that came into prominence in the 1980s and early 1990s. The term denotes works set in an era or world wherein steam power is still widely used—usually the 19th century, and often set in Victorian era England—but with prominent elements of either science fiction or fantasy, such as fictional technological inventions like those found ...
