A Judensau (German for "Jews' sow"), is a folk art image of Jews in obscene contact with a large sow (female pig), which in Judaism is an unclean animal, that appeared during the 13th century in Germany and some other European countries; its popularity lasted for over 600 years. In Nazi Germany, classes of German schoolchildren were sent to see the Judensau on German churches and the term ...

During the Middle Ages and Renaissance, most of the evidence of Jewish art is limited to manuscript illustrations and construction of synagogues. Countries that have strong Muslim influences had less physical illustrations of human forms in art because Muslims spurn such literal representations of human forms. The nature of Jewish education may have also played a role in the supposedly small ...
