Tam Lin Pamela Dean

I reread Pamela Dean's wonderful TAM LIN this weekend while traveling to my cousin's high school graduation party, because while this book is a fairy tale, it's also a book about how college life works (a land equally strange to me as fairyland was when I first read this book in high school).

Tam Lin by Pamela Dean - Goodreads

Tam Lin is a 1991 contemporary fantasy novel by United States author Pamela Dean, who based it on the traditional Scottish border ballad "Tam Lin Plot introduction. The protagonist of Tam Lin is Janet Carter. Written in the indirect third person, from Carter's point of view ...

Tam Lin (novel) - Wikipedia

Pamela Dean is an American fantasy author whose most notable book is Tam Lin, based on the Child Ballad of the same name, in which the Scottish fairy story is set on a midwestern college campus loosely based on her alma mater, Carleton College in Minnesota. Tam Lin book by Pamela Dean - Thriftbooks

Pamela Dean's Tam Lin is a novel that gives the lie to the belief that readers should approach a novel in a state of purity, giving as little thought as possible to publicity, advertising, and the expectations they arouse. A reader who comes to this novel innocent of the impression formed by its cover, plot description, and even its title would probably find it utterly confusing, because Tam ...
