### **Sword and Scimitar | TripFiction**

review 1: What happens when you're stuck in the Barcelona airport for 3 hours (and, therefore, most of the reading material is in Spanish) is that you pick up something terrible just because it's there and just because you've read the other book available in English. Anyway, you finish the book and you take it home and then your wife reads it because it's there and it cost 9€ and by god she ...
