The Study Guide and Solutions Manual contains detailed solutions to all the problems in the text. Learning how to solve a problem is, in our view, more important than merely knowing the correct answer. To that end we have included solutions sufficiently detailed to provide the student with the steps leading to the solution of each problem.

If you want the solutions manual, you might as well buy the 3rd edition. I have a strong feeling they are the same thing. That said, the answers that they do have (if you search a bit - most of the problems are just off by a few numbers because they were in the old edition) are rather comprehensive.
