If you plan to cut the wings...this is when you'll want to do that....that way you only have to sand once. I really didn't use anything for a pattern....I just free handed an angle that I thought looked like that of a dragonfly's....and cut it....then I used that same blade to mark the other three.

Hello there. First, let me apologize for the poor lighting. When I took a bunch of photos there was no sun for days. Just rain. I fell in love with this stamp called Free Spirit because it reminded me of my cousin, Terry Ann, who is a free spirit. She has a business doing Reiki, Indi Head Massage, Massages, and card readings.
