Boiler Operations Questions and Answers, 2nd Edition: P ...

The banging noises sounded like someone was dropping things. I thought the next door neighbors were doing work so I didn't pay it any mind. I went outside and heard the noise from the porch and realized that it was coming from my house and that's when I cut the heat off, went downstairs in the basement and the basement was flooded. I did place my hand in front of one of the radiators and it ...
