Lining up plans in New York? Whether you're a local, new in town, or just passing through, you'll be sure to find something on Eventbrite that piques your interest.

New York, NY Science Fair Events | Eventbrite

8th grade science fair projects tend to involve the scientific method and designing an experiment and not making models or explaining processes. You'll be expected to present data in the form of tables and graphs. Typed reports and posters are the norm (sorry, no handwritten text). You should do the project yourself, rather than enlist heavy-duty help from a parent or older student.

8th Grade Science Fair Project Ideas - ThoughtCo
