You can make your parallel plot any size and significance that suits you. In the above example, the two plots are very nearly equal—though we know the score by the title, which is not *The Day of the Police Inspector*. This is especially useful for a protagonist-antagonist story, like many thrillers, mysteries and young adult tales.

Noora: "He opened up completely... I don't know what I was doing before, but I understand how he thinks now." Translation: My boyfriend who is supposed to love me shamed me so much over MY emotional response to MY sexual assault that I became a nervous wreck, always walking on eggshells so that he doesn't stop loving me because MY sexual assault became about how HE was the victim.

No matter the form of media, good writing can be admired like good cooking. A suspenseful intro hook thrown in to simmer with an intriguing storyline, seasoned by a logical plot, as well as a satisfying ending is as much akin to a meal as I can think of. I believe it was Ray Bradbury who said something along the lines of "every story has but one (proper) ending," and I found this quote to be ...

I've just finished reading the Book one of the Aliomenti saga. To say that I loved it doesn't help anyone. Let's try this instead: The pace is fast; the plots and sub-plots are reasonable and logically valid; combine the previous with a fresh and light prose and you get an excellent best-seller type of fiction.
