Nathan Sharpe (born 26 February 1978) is a retired professional Australian rugby union player. He began his rugby career at the Queensland Reds in 1999 before joining the newly created Western Force in 2006, where he captained the club until his retirement in 2012. He played 116 test matches for Australia, including 20 as captain. His usual position was lock.

Nathan Sharpe - Wikipedia

Data In Motion. Much of the data produced today is underutilized, in part because of the V's of big data (volume, velocity, variety). The traditional approach for extracting actionable information is to first store the data in a, possibly very large, repository and then perform various queries against it.
