The answer is YES, but with some qualifications.This article will discuss how to start homesteading from scratch with no money, and if it's even possible. I'm going to suggest that it definitely IS, but the new homesteader needs to start small, build some skills and experience, and then upsize as more funds become available.

Well, I am starting from scratch. A new URL (though I tucked my old archives in there for future ideas) and new focus. I have been doing much of what you said. Emulating experts and narrowing my focus have been extremely important to new-found influence and growth. But probably the most important thing that I have done is work ahead.

### **Starting from Scratch: A Writer's Guide to Blogging**

Start at the beginning with no advantage. The scratch line was a stripe across the ground where a race began. Starting from scratch meant having no advantage against others in the race where handicaps allowed some entrants shorter distances to run.
