On the flip side, I notice that more and more women are using fake smiles to tease their betaorbiters into currying favors. For the desperate simps, even the slightest female approval is the closest thing to a sex they'll ever experience, which is why they'll always be ready to jump any amount of hoops in order to earn it—and the women know this.

If both of my parents have O positive blood, is it possible for me to have O negative blood? I have been told that it is not possible, that one parent would have to have the negative factor. I have been researching this question for some time with no good answer. I would really appreciate your help in answering this.Debbie Howlett - Farmington, New Mexico
