Mila Ferrera's debut novel, SPIRAL, is an emotional ride that hits you in all the right places. When I say she really gets inside her character's head, I mean she really does. I've never been a huge fan of YA because of all the angst, but this New Adult is a whole different cup of tea. And I'll drink it to the last drop!

Spiral by Mila Ferrera - Goodreads

Mila Ferrera lives in New England, where she has a family and a job and does various normal, everyday things, all while plotting novels in her head. She has a passion for writing new adult/adult romance featuring psychological twists and tortured heroes.
