White flight is a term that originated in the United States, starting in the 1950s and 1960s, and applied to the large-scale migration of people of various European ancestries from racially mixed urban regions to more racially homogeneous suburban or exurban regions. The term has more recently been applied to other migrations by whites, from older, inner suburbs to rural areas, as well as from ...

## Peter's Sissy Stories — Now that's a pretty Sissy

Though season seven of Game of Thrones was generally well-received, a much-maligned aspect of it was its quick pacing—or, more specifically, how it was perceived to rely on timeskips more often and more abruptly than any previous season. Now, thanks to Entertainment Weekly, the writers have finally addressed this charge, which they never had before, explaining why they did what they did and ...
