Sex Economy Freedom And Community

Economic freedom or economic liberty is the ability of people of a society to take economic actions. This is a term used in economic and policy debates as well as in the philosophy of economics. One approach to economic freedom comes from classical liberal and libertarian traditions emphasizing free markets, free trade, and private property under free enterprise.

Economic freedom - Wikipedia

An economy (from Greek οίκος – "household" and νέμομαι – "manage") is an area of the production, distribution, or trade, and consumption of goods and services by different agents. Understood in its broadest sense, 'The economy is defined as a social domain that emphasize the practices, discourses, and material expressions associated with the production, use, and management of ...
