W ith more than 35 hours of testing and research, we determined that the Maxxima – LED Multi-Color Night Light is the best night-light on the market. In addition to a month of detailed testing, we continued to use the Maxxima night-light for an additional nine months in our homes. That testing, in conjunction with our conversation with a Department of Defense-funded PhD in neuroscience ...

I did that. 4 years later and I can safely say it's the best mistake I ever made it was awkward initially (for the first 24 hours or so) but then it became obvious that we'd both been waiting for it to happen. My only regret is that it took more than 10 years for us to get that far; we have certainly made up for lost time since.

"Night falls. Or has fallen. Why is it that night falls, instead of rising, like the dawn? Yet if you look east, at sunset, you can see night rising, not falling; darkness lifting into the sky, up from the horizon, like a black sun behind cloud cover. Like smoke from an unseen fire, a line of fire just below the horizon, brushfire or a ...
