Prostitution describes sexual intercourse in exchange for remuneration. The legal status of prostitution varies in different countries, from punishable by death to complete legality. A woman

who engages in sexual intercourse with only one man for support is a mistress, and not normally considered a prostitute. Prostitution has often been described as "the world's oldest profession," and there ...

Prostitution - New World Encyclopedia

This introductory article explains the theme of this book, which is about political theory. It evaluates the impact of literature that proved especially influential in framing debate through the last decades of the twentieth century and opening years of the twenty-first and examines the historical work on political thought. It describes the combination of concerns that runs through the work of ...
