Today I am spinning. Every job I've tried to do has thrown me up three other things which need doing first – and look, need is subjective, which is why I feel like all I've done is spun in one spot, feeling increasingly frustrated.. I started making soap, only to discover I am completely out of tea tree oil, which I needed for the batch I'd started.

For the past decade, the mainstream media has been pushing older women (defined here as 35 and up) as "the new sexy," to the point where it's become cultural white noise. Not a week goes by without a listicle or stinkpiece extolling the virtues of older women, whether they're trying to shame thirty- and forty-something men into dating women "their own age" or selling younger men on ...

3 Reasons Why You Should Not Date Older Women

There is another type of grief, something hospice professionals call anticipatory grief. This differs from what I call early grief (others may have a different term). Anticipatory grief is more like the grief one feels as the death of a loved one nears and we start to grieve what we know will be their loss.
